

WHO WE ARE

The Friends of the Plainville Public Library is an association of persons interested in books and libraries. It provides a means through which they may share their enthusiasm for the aims and services of the library, focus public attention on its facilities and needs, and stimulate the gift of books, magazines, and desirable collections.

WHAT WE DO

Sponsor book discussions for adults, musical programs, guest appearances of authors, and special programs, lectures and events for adults and children.

Purchase materials, books, software and equipment for the library that is not covered in the library's budget.

Sponsor the annual Summer Reading Program for the children of Plainville.

Print monthly calendar of library events and mail to membership.

Conduct semi-annual used book sale to raise funds for library programs and projects.

Hold Annual Friends Meeting and Potluck Supper in May of each year.

Decorate the library for the holiday season in December and for special events.

Provide refreshments for various events at the library.

The business of the organization is conducted by four officers and enhanced by the various committee members which constitutes the Board of Directors of The Friends of the Plainville Public Library.

Financial accounts are maintained by the treasurer and are subject to annual audits.

Peter Chase, Library Director, serves as liaison between the Plainville Library Board and the Friends Board of Directors

Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest.
